# Reporting Requirements

## January 1, 2020

- **Value-Based Payment:**  
Percentage of clients with a CANS 5-22 update recorded within the last 6 months
- **Master grant performance measure:** “% of clients (ages 5-22) with improvement on the CANS”
  - Methodology TBD
- In 2020, required to report on numbers of 0-5 CANS completed (to show readiness)

## January 1, 2021

- **Value-Based Payment:**  
Percentage of **all clients (0-22)** with a CANS update recorded within the last 6 months
- **Master grant performance measure** continues

# Reporting Requirements

## BI Programs

- Historically (last few years) the only program submitting CANS data for all clients. DMH analyzed this data for BI Report:
  1. Did they receive two CANS?
  2. % improved on strength domain
  3. % improved on a severity score
  4. % improved on school behaviors

## All Success Beyond Six Programs

- Contract for 2018-19 school year goes beyond BI programs to all Success Beyond Six programs, including CERT
- In 2019-2020 school year, programs can use school module (NCSS has been piloting)

# EMR Transitions
